

## Welcome to Mahara for Georgia Tech

Mahara is an open-source platform for showcasing your individuality, exploring your academic interests, and connecting with the Georgia Tech community. We want you to be yourself as you become a part of Georgia Tech. Mahara is also a self-legislating platform for you to:

- Help each other.
- Share who you are and what you are doing.
- Tell us what you aspire to do at Georgia Tech.
- Practice digital citizenship (e.g., participation, and ethical sharing practices).
